

NEW SECRETLAB MAGNUS PRO SIT-TO-STAND METAL DESK

AKATSUKI EDITION

NEW SECRETLAB AKATSUKI EDITION ACCESSORIES FOR MAGNUS DESKS NOW JOIN THE SECRETLAB NARUTO SHIPPUDEN COLLECTION

Latest Special Edition accessories for **Secretlab MAGNUS Desks** now enable fans to personalize a setup fully inspired by the renegade Akatsuki.

Relive the beloved manga and anime series with the latest additions to the ever-growing **Secretlab NARUTO SHIPPUDEN Collection** — now featuring new Akatsuki-themed **MAGNUS Desk accessories**.

Our flagship **Secretlab MAGNUS Pro Sit-to-Stand Metal Desk** delivers best-in-class cable management with the world's first fully integrated power supply column and a full-length cable tray. Paired with the Secretlab Cable Management Bundle for the ultimate clutter-free desk:

the Secretlab Magnetic Cable Sheaths let your cables neatly run up the desk leg, and any loose cables on your desk secured in place with Secretlab Magnetic Cable Anchors.

These accessories help to eliminate cable mess and free up space on your desk to focus better and do even more, whether it's diving back into Naruto or just getting through your to-do list.

Secretlab Akatsuki Edition Accessories for MAGNUS Desks

This expanded collection features the **Secretlab MAGPAD™ Desk Mat Akatsuki Edition**, Secretlab Cable Management Bundle Akatsuki Edition, and Limited Edition Secretlab Customs: 3D Magnetic Cable Anchor Akatsuki Edition.

By pairing these new accessories with the best-selling **Secretlab TITAN Evo Akatsuki Edition**, you can now fully personalize a complete setup inspired by the renegade ninja with designs drawn from the organization's distinctive long black cloaks and red cloud motif.

The **Secretlab MAGPAD™ Desk Mat Akatsuki Edition** is made for those who prefer a more mysterious aesthetic, showcasing the silhouettes of the nine Akatsuki members and each of their unique rings.

The new **Secretlab Cable Management Bundle Akatsuki Edition** includes cable sheaths that feature the scratched-out village symbols of the Akatsuki as well as Secretlab's standard red, white, and black cable anchors.

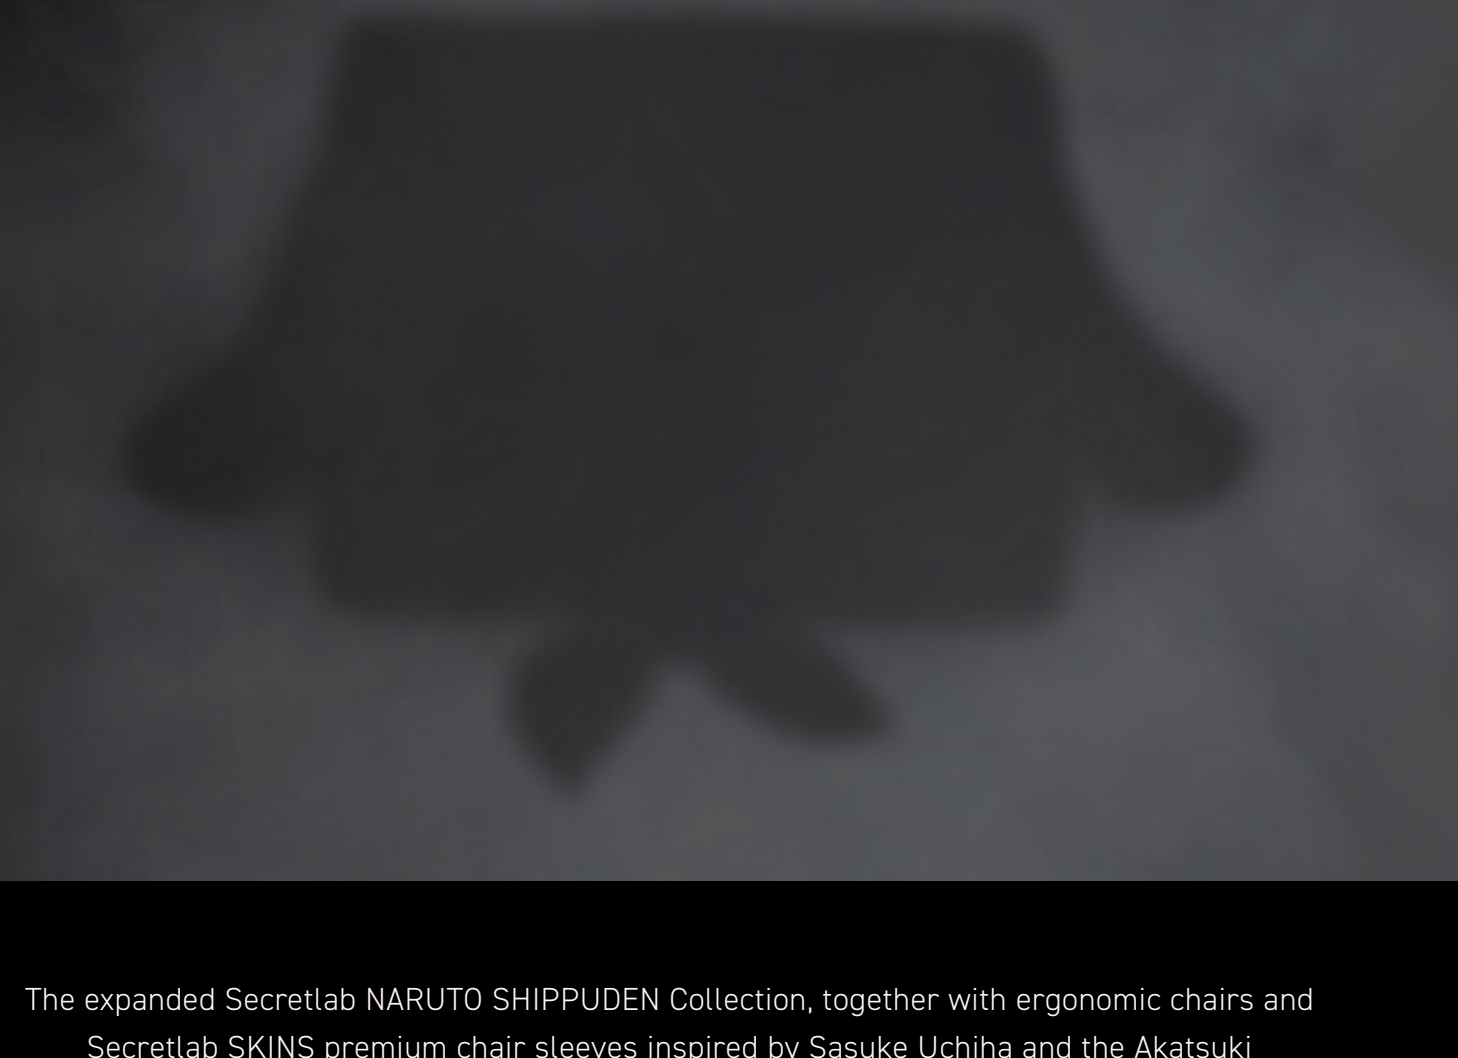

A limited edition **3D Magnetic Cable Anchor** was also designed to pay tribute to the founding of the Akatsuki and its original mission of peace. The iconic red cloud, symbolizing the rain of blood that fell in Amegakure during its wars, adds an extra special touch to fans' setup, whilst keeping all their cables seamlessly in check.

SNEAK PEEK!

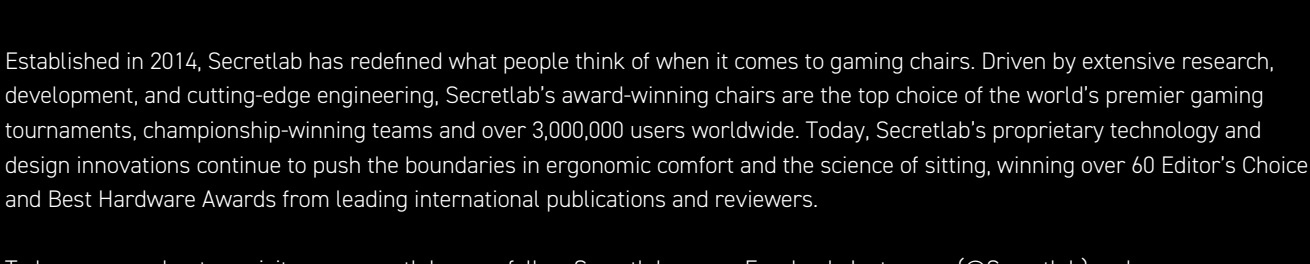

SPECIAL TREAT FOR ANIME EXPO 2024 ATTENDEES

A plushy companion for the shinobi who might need some extra back support will also be joining the **Secretlab NARUTO SHIPPUDEN Collection** soon. Fans can get early access to this at the Anime Expo 2024 from 4 to 7 July 2024, before this special treat is available for purchase on our website from 9 July 2024.

The expanded Secretlab NARUTO SHIPPUDEN Collection, together with ergonomic chairs and Secretlab SKINS premium chair sleeves inspired by Sasuke Uchiha and the Akatsuki celebrates the series' enduring appeal. Naruto's 720-episode run brought to life a world of ninja villages and clans steeped in intrigue and rich detail — part of a timeless legacy that continues to resonate with fans today.
